President's Letter

Dear Members,

2010 promises to be an exciting and challenging year for all of us. The global economy is beginning the slow, but hopefully steady, recovery from the recession. Many parts of the world are struggling to recover from recent natural disasters such as the earthquakes in Haiti, Chile and China. In times like these, the Spirit of Notre Dame shines brightest, and the Notre Dame Club of Orange County will strive to continue our "fight" campaign to make a difference in our community.

We have several outstanding events planned as the Club continues to strive toward our goal: providing activities grounded in our Catholic faith promoting Camaraderie, Catholic/Christian Spirituality, Continuing Education, Communications, Community Service and Current Student Support. These great events include:

- Scholarship Fundraising Program/Summer Service Projects
- The Faley Games for Special Students
- Hesburgh Lectures
- Annual Golf Tournament and Silent Auction
- Annual UND Celebration, Student Send-off / Family Picnic & Mass
- Sunday Breakfast Club at the Southwest Community Center

In addition, the Brian Kelly era begins at Notre Dame as our new coach strives to return the Notre Dame football program to prominence. The Irish will make their bi-annual trip to Southern California over Thanksgiving Weekend (November 25-28) and we have several exciting activities planned including a pep rally, tailgate party and roundtrip transportation to the game on Saturday.

Your involvement in the Club activities is more important than ever. Please remember that your membership dues are the primary way we fund our scholarship endowment and community service programs. Membership applications and dues can be submitted either on-line at www.ndcoc.com or by mailing in the application on the back of this newsletter. Please submit your annual dues by May 31st.

Finally, I would like to congratulate the newest members of the Notre Dame family, the Orange County students recently admitted to the University of Notre Dame and their families. This year's admitted class is the strongest in Notre Dame's history and students and parents alike should be very proud of this accomplishment. Welcome aboard and **come fight with us....**

WE ARE THE FIGHTING IRISH!

With all of our challenges in the present and concerns about the future, why should Catholics care about the past? This lecture will explore reasons why an awareness of history is important for the informed faith of educated Catholics: the inescapability of Christianity as a religion rooted in time, the ways in which history can serve as a handmaid to theology, and the dual reality of the Christian past as both inspiration and scandal.

Brad Gregory is an Associate Professor of History at the University of Notre Dame. He holds five university degrees, including undergraduate and advanced degrees in both history and philosophy. He received a B.S. in history from Utah State University; B.A. and Licentiate degrees in philosophy from the *Institute of Philosophy* of the Catholic University of Louvain, Belgium; an M.A. in history from the University of Arizona; and a Ph.D. in history from Princeton University.

Prior to taking his position at Notre Dame, he was an Assistant Professor of History at Stanford University and a Junior Fellow in the Harvard Society of Fellows. He has received teaching awards at both Stanford and Notre Dame. Dr. Gregory is the author of many scholarly articles. His book "*Salvation at Stake: Christian Martyrdom in Early Modern Europe*" has won six awards, including the 1999 Thomas J. Wilson Prize as the best first book published by the Harvard University Press and the California Book Award Silver Medal for Nonfiction. He is a historian of late medieval and early modern Christianity, and of intellectual history in early modern Europe. He teaches courses on early modern Europe as well as the first year Honors Humanities Seminar at Notre Dame.

Faley Games

"A Special Day for Special Athletes"

Once again the NDCOC will participate in the **Kathleen E. Faley Games on Friday, May 7, 2010** at Cal State University Fullerton. This is our Club's eighth year of involvement in the Faley Games and we extend a special invitation to our members who have never attended.

We will meet between 8:00-8:15am at the Registration Booth on the soccer practice field north of the main gym. Free parking is available at the adjoining parking lot with entrance on St. College Blvd. We invite our NDCOC members to attend this truly inspiring event that grows in popularity every year. The Board once again has approved a \$25 contribution for all members who attend.

We need your help to coordinate the events and interact with the athletes throughout the day. Hundreds of volunteers are needed to make this day a rewarding experience for our special athletes. We can use your help as early as possible. To volunteer, please contact Gene Tidgewell '71, 714-713-6563 or by email at gene@actionlending.com. *More information can be found at www.csufspecialgames.org*

About the Faley Games: *The initial Games began in 1986 and were dedicated to Fullerton alumna Kathleen E. Faley, a founding planning committee member who died in an auto accident.*

With over 2,800 developmentally-disabled students and 2,500 volunteers expected to participate this year, the Faley Games is the largest event of its kind in Orange County. The athletes participate in non-competitive events including the Football Throw, Basketball Hoop Toss, Soccer Goal Kicks, T-Balls, Bean Bag Toss, 50 Yard Dash, Volleyball, Frisbee Toss, Whiffle Ball & more.

With the assistance of high school volunteers, our Club once again will coordinate the activities at each site, spending memorable time with each of the participating athletes.

Volunteer Parking Directions

From Yorba Linda Blvd or Nutwood Avenue, turn onto State College Blvd. and enter the campus on the Access Road for Lot A. Park in the south end of Lot A. Parking permits are required. Please obtain a No Cost Parking Permit from the parking officer as you enter Lot A from State College. Walk over to Games Site.

Breakfast Club at SWCC

Every Sunday we have Club members meet to help serve breakfast to the needy and homeless at the Southwest Community Center in Santa Ana. We meet every Sunday morning at 7am. If you would like to help cook, serve, wash dishes, or whatever, please call Ed Graham '74 at (714) 838-5583 (h) or (714) 633-8544 (w).

Young Alumni

The goal of the Young Alumni Committee is to coordinate events and activities for recent grads to maintain the traditions, friendships and community-based lifestyle of Notre Dame. The Notre Dame Club of Orange County and the Young Alumni promote these traits through community service and social events. This Spring and Summer we'd love to plan multiple activities and events for our Young Alumni in Orange County. Like life on campus, the Notre Dame Club of Orange County members volunteer their time to many different charity and service organizations. The Faley Games and "Breakfast Club" at the Southwest Community Center are just a few events where we dedicate our efforts.

Three Sunday's a month, club members assists in preparing breakfast for some of Santa Ana's less fortunate at the Southwest Community Center. The Young Alumni committee has designated the last Sunday of each month as our "Young Alumni Sunday" in an effort to lend our support as a group. Please take 3 hours out of your month and join us for this rewarding experience. Hope to see you there. Please visit the club website and Facebook page to keep up-to-date on our future events.

If you have any questions or suggestions on activities or events you feel would be a good fit for the club, please let me know. We're always looking for new and exciting things to do. Go Irish!

Bat for the Cure—Need Volunteers

Once again the Notre Dame Senior Alumni Board is coordinating the **Bat for the Cure** program which encourages appropriate screening for prostate cancer by disseminating information at minor league ball games. Our club has been asked to provide 3-4 volunteers to *The Orange County Flyers* (Fullerton) on 7/31/10. Admission to the ballpark is free for the volunteers and a table will be set up for them along with the handouts. BREA'S COSMINA CIOBANU EARNS SCHOLAR-ATHLETE

NOTRE DAME, Ind. - Seniors Cosmina Ciobanu (women's tennis) and John Lytle (men's swimming) each earned the BIG EAST Conference Scholar-Athlete Award as the institutional representatives for the University of Notre Dame, announced by the league. As the recipients of the league honor, both Ciobanu and Lytle will receive a \$2,000 scholarship towards graduate studies.

The BIG EAST Scholar-Athlete Award is one of a number of scholarships presented by the BIG EAST Conference during the 2009-10 academic year. Thirty-two student-athletes (one male and one female from each of the BIG EAST's 16 member institutions) receive postgraduate scholarships as the winners of their respective institutions' Scholar-Athlete Awards. The conference also names male and female Basketball Scholar-Athletes of the Year and a Football Scholar-Athlete of the Year.

Ciobanu has had a stellar career at Notre Dame both on and off the court. The Brea, Calif., native earned all-BIG EAST honors in 2009 and was named to the conference all-tournament team for both singles and doubles in 2008, helping the Irish win BIG EAST Conference Championships in both seasons. A three-time NCAA team participant, Ciobanu led the Irish to an NCAA quarterfinal appearance in 2007 and an NCAA semifinal performance in 2009, the highest finish in program history.

The winner of the 2009 St. Joseph Valley Rockne Student-Athlete award, Ciobanu holds an overall singles record of 91-30 and a 95-27 mark in doubles action. A mainstay in the Irish lineup for the past three seasons, Ciobanu has career-high Intercollegiate Tennis Association (ITA) rankings of 31st (singles) and 39th (doubles) and set Notre Dame's single-season dual-match winning percentage record with a 26-1 singles mark in 2007.

The daughter of Calin and Camelia Ciobanu, she has been a regular on the Dean's List at Notre Dame, earning the honor four of the past six semesters, as a double major in science pre-professional studies and anthropology with a 3.857 grade-point average. She is a member of the Notre Dame's Academic Honors Program and has been named an ITA Scholar Athlete and BIG EAST Academic All-Star for the past three years.

Ciobanu also is very active in the community, volunteering with the Fighting Irish Fight For Life program benefitting youth cancer patients and interning with Dr. Daniel Danahey at the Michiana Eye Center.
